Subject: Correct report citations and history - FYI

OK, the energy and water bill got wrapped up into the larger bill, which passed both houses and was presented to the President on the 21st (yesterday). So I am assuming it is "law" although I don't see a P.L. assigned yet.

The final bill number is HR 2055, Conference Report 112-151.

Bill status summary at: <http://thomas.loc.gov/cgi-bin/bdquery/z?d112:HR02055:@@@R>

The apparent official section on the BDCP is 205.

Now I'm done with all that for now.....Ho, ho, ho!
